

Guidelines for Oral Paper Presentation

The following guidelines must be adhered to for the conference presentation:

- The PowerPoint presentation (PPT) should not exceed 10 slides.
- The first slide must include the study title, along with the names, designations, and affiliations of all authors, as well as the presenter's name.
- Your presentation should cover the study's background, objectives, methods, findings, discussion, and conclusion.
- Presenters are encouraged to focus on the study's findings and their implications.
- Each presenter will have a maximum of 6-8 minutes, followed by a brief Q&A session.
- All presenters must remain present throughout the session, as the Q&A will take place after all presentations.
